## Chapter 506 Holiday Dinner

Our annual holiday dinner will be held on December 11<sup>th</sup> at 6:00pm in the chapter building.

As usual, 506 will supply the turkey and ham, so please bring a side dish; vegetable, salad, dessert, etc.

Ida May Covey, co-host of the Christmas dinner party, provides the following rules for the gift exchange:

- Participation is optional. [But it is so much fun that you really should join in.]
- Bring a wrapped gift for a person of your gender.
- Put a tag on the gift that says "Lady" or "Gentleman," as appropriate.
- The gift should cost between \$12 - \$15.
- Gag gifts are not appropriate.
- When you arrive, exchange your gift for a ticket stub.
- Tickets will be drawn at random.
- When your number is drawn, you may either select a gift from under the tree, or you may claim a gift from someone of your own gender.
- If someone claims the gift you have selected, you must select an unclaimed gift from under the tree.
- Come prepared to have fun

We look forward to seeing all of you at the dinner!

## November Meeting Minutes

By Byron Covey

Breakfast, prepared by Ida May Covey, Nancy Normark and Debbie Fink, consisted of scrambled eggs, link sausages, French toast with strawberry preserves, whipped cream, and syrup, hot coffee and chilled Florida orange juice.

Meeting president Jim Turner called the meeting to order at 9:05 AM.

### Guests:

Bob Parker brought two guests: Erwin Graf and Dave Courtney. Wayne and Vicky Sawyer were also first time visitors.

### Sebring (FL) Sport Aircraft Expo:

Jerry Stein provided a brief report about the recent sport aircraft expo that he attended in Sebring, Florida. Unfortunately, neither of the two manufacturers that he really wanted to see was there. Apparently the weekly hurricanes across central Florida discouraged some from participating.

### 2005 Chapter Elections:

Ballots were distributed to those who had not used the one from the newsletter. All votes cast were for the slate of officers recommended by the nominating committee. EAA Chapter 506 officers for 2005 are:

Dan Harden, President  
Byron Covey, Secretary  
Jack Schultz, Treasurer

### Clubhouse Maintenance:

Dan Harden issued a call for volunteers to continue the installation of the new siding.

### Meeting Presidents:

Jim Turner asked for volunteers to fill out the 2005 calendar of meeting presidents. August, November, and Christmas (the dinner party) are meetings in need of volunteers. Please let Dan Harden know if are willing to volunteer for one of these meetings.

### 2005 Dues:

Jim Turner reminded all that the 2005 dues will be due at the January 2005 meeting. Annual dues are \$50. Dues can be submitted to Jack Schultz at the January meeting, or mailed to him at 1512 Ramson Court, Raleigh, NC 27603

### November Program:

Jim and Barbara Turner provided the program. Jim played the role of an interviewer, and Barbara played the role of Bessie Coleman, the first black female pilot in the United States. The program was educational and very entertaining.

The meeting was adjourned at 9:37 AM.

## Young Eagles Update

By **Brenda Anderson**,  
EAA Chapter E-Gram, November 19, 2004

### **1.1 Millionth Young Eagle Registered**

Nearly one year to the day after it reached 1 million Young Eagles flown, EAA entered Young Eagle No. 1.1 million as the world's most popular youth aviation program continues to reach new heights. On November 6, Kevin McCue, EAA 678364, of Tucson, Arizona, piloted his 1947 Luscombe 8E with 16-year old Rebecca Flynn of Sahuarita, Arizona, on board. Five days later, Rebecca, a Navy ROTC Cadet, was entered into the world's largest logbook as Young Eagle No. 1.1 million.

EAA registered the 1 millionth Young Eagle, Andrew Grant, on November 10, 2003, so the program is solidly on track for meeting EAA's primary goal for its Chapters and members to fly 100,000 kids per year.

"Reaching this 1.1 million milestone reaffirms the excitement and enthusiasm our member volunteers still have for the program and the Young Eagles is an ongoing part of what makes EAA special," said EAA Young Eagles Director Steve Buss. "Rather than being a program with a one-time goal, EAA Young Eagles is on firm footing as it moves to the future."
