From the Tower:

By Joe Mancusi

FROM THE TOWER

September 13 is the annual JNX OPEN HOUSE and the annual Chapter 506 Young Eagles event. There are many reasons for putting on what has become a very successful and appreciated contribution to the Open House:

1. It promotes the great relationship that we have had with the Airport. For our one day per year contribution, we (506) get our lawn maintenance done for “free”!
2. We help the airport and aviation in general garner goodwill and PR.
3. We contributors receive the *personal satisfaction* that only giving to charity represents.

No job is particularly difficult, but we need several people for each job. Those who contribute by flying will get their fuel replaced at the end of the day. It is obvious that the airport thinks the Young Eagles flights are important

Please support our Chapter event!

Please contact Art Armani or Gary Winter or myself to get on the list to participate.

July Program

By: TBD

From the Newsletter Editor. June and July have been very busy months for the members. The program for July will be identified by meeting time.

June Meeting Minutes

By **Gary Winter**

The Breakfast Report:

A delicious breakfast of eggs, sausage patties, pancakes, fruit dish, orange juice and coffee was served by Helen and Jack Schultz, Nancy Normark, Roxanna Mancusi, and Judy Winter.

Meeting Start:

President Joe Mancusi opened the meeting at 9:05 o'clock with a total of 23 in attendance which included 4 guests.

The May minutes were approved as published in the June newsletter.

Guests:

MiShelle and Christopher Devereaux of Raleigh who have a Cessna 152 based at Johnston Country.

David Hall of Goose Creek, SC, visiting his father Tom in Raleigh.

Alexis Ivey, Bob Scott's granddaughter.

Treasurer's Report:

The treasurer's report shows that we have \$1443.71 in our checking account with all bills paid.

Old Business:

Check your newsletter for openings in the breakfast schedule and meeting coordinator schedule. Feel free to jump right in there and add your name.

If you haven't paid you 2008 dues, please do so ASAP.

Joe and Roxanna Mancusi are continuing to follow up on the clubs commitment to see that the late Harold Shehane's photo and original EAA 1000 Hour Flight Certificate are at the museum with his Quail.

New Business:

EAA 506 will hold our Young Eagles event on September 13th, 2008. Art Armani informed the group that he and President Joe are in the process of getting all the paperwork sent in to EAA Headquarters. Art stressed the need for early sign up of volunteers, earlier than last time, please, so he can at least feel like he is more organized. It's nice to know that he has enough people to fill all the needed positions. There will be a sign up form included in this newsletter. There was a brief discussion on the amount of time taken for ground school at the previous event. It was decided that we move the event time ahead by 30 minutes to allow more time for ground school. Set up will be at 8:00. All others arrive at 8:30. First flight will be at 9:00.

Adjournment:

As there was no other business, a motion to adjourn and a second was accepted at 9:30 am.

Post Flight Debriefing:

Bob Scott had a great presentation explaining the effects that turns have on stall speeds. With the use of graphs and mathematical formulas he explained how the different degrees of banking in your turns can greatly affect the speed at which your airplane stalls. Great job, Bob.

Steelefield

On Saturday, June 14th, 2008, Mike Steele hosted a fly-in at his field which is located just a couple of miles south of Walnut Cove, NC. Along with a really great covered dish lunch, EAA Chapter 8 held their 50th Anniversary meeting. Included in the meeting was a phone call from Paul Poberezny congratulating the club on their great accomplishment. Susan Dusenbury piped the call over the loudspeaker system for all to hear. Three or four of the original members are still active in the club and were present for the meeting. There was a really nice display of airplanes, classic cars, and classic tractors. Mike is also a member of VAA Chapter 3 and flies his AT-6 out of his field. Joe Mancusi flew his C-120, and I got invited to fly along with Ron Normark in his 150HP Super Cub. (Didn't have to ask me twice!!!)

WAHOO!!!!

We had a GREAT time.
