

Chapter 506 Flight Briefing

Volume 14, Issue 10

October 2008

From the Tower:

By Joe Mancusi

Chapter 506 has had a great year so far. I have been to all the meetings this year and they have had good food, good presentations, and good fun.

Our Young Eagles event at the JNX open house was a near perfect event. We had the critical mass of volunteers to achieve success since a **LARGE** percentage of the 506 came to help. Thank yourselves for a job well done. If success is measured in *smiles*, we were over the top. There is also a long list of helpers from Chapter 1114 and from JNX Flight (who donated a 172 that flew all day).

We have gained quite a few new members so far this year and some have volunteered for the YE event.

We have members who have made first flights, purchased aircraft, or are nearing first flight.

Christmas Party time is approaching, as are “elections” for next year. Please consider staying on or “running” for next year. I campaign in a C-120 instead of a B-757 to save money.

I think 506 will stay on a roll.

2008 Young Eagles Event

The Young Eagle event was a great success. Over 30 volunteers, working from 8:30 am until 5:00 pm, ensured 277 young eagles experienced the joys of flight. For the second year in a row we have increased the number of children we have been able to fly. In 2006 we flew 207 and in 2007 we flew 274. It was great seeing all the smiles on the children walking back from the flight line. Seeing all the smiling and excited faces is one of the reasons the Young Eagle program is my favorite aviation event. I want to thank everyone who made the Young Eagle events a success and for an event that ran so smooth I was able to get out and fly myself.

With tremendous fear of leaving someone out I will extend a community thank you to everyone who help make the young eagle rally successful.

Art

EAA 506 would like to thank all who donated their time, their expertise, and their airplanes to make this a very successful Young Eagles event. We would especially like to thank Dan Hardin and Bob Scott. In addition to their continued dedication and participation in the Young Eagles event, they arrived early with Dan's camper which the chapter could use to prepare lunch for all the volunteers. They also furnished and set up the portable canopies that were crucial for shade at the signup table and at the scheduling and certificate table. Along with other volunteers, they helped haul chairs and tables to and from the clubhouse. And, a special thank you to the Johnston County Airport for providing the fuel for our Young Eagles Event.

Although it was a bit warm, it seemed to be an ideal day for the Young Eagles event and it seemed to coincide very well with the JNX open house. Along with the kids getting a free airplane ride, the families could take advantage of a very nice aircraft display area. The sign up table, the ground school, the preflight area, the scheduling, the flight line, the certificate table.....all phases of the operation went very smoothly. Even the winds were cooperating allowing the best in traffic and taxiing patterns. Congratulations EAA 506!!!! Great Job!!!!

Post Flight Debriefing:

The Young Eagles Day was a great success. Again, thanks to all.
